## TESTIMONIALS

---

*"I would just like to say what a lovely experience it has been working with the team at 41 Portland Place to organise my wedding reception. The team were absolutely fantastic , so calm, patient and responsive to all my needs and great in going through all the finer operation details to make sure that everything went exactly to plan. I am pleased to say that the day went perfectly without any cause for concerns or anxiety. We have been truly looked after and because of this we were able to thoroughly enjoy our wedding day. I had only three months to organise my wedding and it was really stressful. I am so grateful that the team at Portland Place were always on hand to guide me with suggestions and answers to any queries I had. I would also like to say what a beautiful venue 41 Portland Place is. The light, high ceilings and original features of the building were gorgeous and a perfect setting for an intimate wedding . I absolutely loved how the room used for canapés flowed so effortlessly into the main dining area and also on the other side out to a stunning roof terrace which the guests thoroughly enjoyed. The food was amazing and got five star reviews from all the guests. The house wine provided was also great quality. We had a fantastic day and cannot thank you enough for your help with it all."*

Everyone said how beautiful the venue was and how smoothly everything ran through the day, so please pass on our thanks to all the staff as well. Thank you again for everything."*
